

# CONTENT WRITER

## WHAT ARE WE LOOKING FOR?

- Someone who is interested in creating the content for the GHMe mentoring program, to be used by the SYPs and Mentors;
- Ability to work under pressure and deliver under tight deadlines;
- Willingness to learn new graphic design programs, Preferred: Canva;
- Strong written communication skills in English;
- Interesting in editing blog posts written by external authors;
- Fluent in English (preferably native speakers) and is pursuing or holds a degree in public/global health, communications, journalism, or other relevant course;
- Desirable: Knowledge of the current topics and issues in the global health sphere.

## WHAT DO WE EXPECT FROM YOU?

Closely working together amongst the team of Content Writers to:

- Develop engaging and creative content for the mentorship program, including, but not limited to, modules and handbooks to engage and stimulate the GHMe groups;
- Research ideas pertinent to the type of content/topic assigned; and
- Proofread content for errors or additions and ensure that content is written per instructions'
- Proofread and provide technical edits to blog submissions; and
- Perform any other tasks necessary for the development of content for the GHMe program.
